## Opening Address

### ***Bringing the Challenges of Leadership to Life***

People choose to work in social services for a reason. It is not for fame and fortune. Let's face it – we want to make a difference in people's lives.

#### **Abrahm DiMarco**

While we find fulfillment in working for a government agency, we have a vision that is bigger than ourselves. We want to inspire others to follow this career path and become leaders. Abrahm DiMarco, owner of DiMarco Consulting Group, understands this calling and is adept at bringing the challenges of leadership to life. His skills have helped others to grow as leaders for over 25 years. As an officer in the U.S. Army, and as a consultant, he has led, been led by others, and developed leaders in a wide variety of situations and conditions. In 2021, he was on our team of top presenters who kicked off the NYPWA Emerging Leaders Series. Abrahm works with government agencies, businesses, colleges, and other groups. His opening address will engage everyone who wants to build leadership capacity in our service system.
