Tammy DeLorme, NYPWA President & Commissioner, Washington County DSS

Special Focus on Cross-Systems Kids with Complex Needs

Supporting Children and Families in Our Communities

NYPWA President Tammy DeLorme and NYPWA First Vice President Eileen Tiberio, invite local DSS Commissioners to share their expertise, knowledge, and experience at our Policy Forum. Our program is being offered with the generous support of Casey Family Programs, with special thanks to Howard Knoll, Senior Director.

This event is dedicated to addressing compelling policy matters facing local departments of social services and the people we serve. Our intention is to use this opportunity to convene with our partners to find effective avenues to deal with emerging issues. The format is designed to stimulate ideas through presentations, panel discussions, and interactive conversations.

Leading the Way on Local Initiatives

Today's forum is designed to energize and build hope and optimism that something better is possible and that we can make it happen through our knowledge, experience, determination, and creativity. Together we can have a meaningful impact and develop short-term strategies that make a difference and recommend long-term solutions.

Statewide Learning Experience

Presenters will present on current initiatives and their vision for a system that serves kids with complex needs.

Workgroups

Following the presentations, we will go into virtual breakout rooms. Based on prior work, data collection, and the morning presentations, we will engage in creative problem solving to identify grassroots action steps and strategies that can be pursued in the immediate future as well as specific recommendations for changes in state policy that would support long-term solutions.

Sample Discussion Topics

- How do we expand beyond our current system that is geared towards kids with typical needs?
- Focus on solutions-what are the opportunities?
- Do you have out of the box ideas regarding programming and financing?
- What unique ways have agencies found to help?
- If you had \$1,000 a day per kid, and no restrictions, what might you do?
- What is effective for in-home wrap around services?
- What are we missing in up-front preventive, intensive services?
- How can we make the needed services available regionally and closer to home?
- How do our efforts to help cross systems kids relate to Family First?
- What unique ways have agencies found to program for cross systems youth?
- What successful models and programs are out there?
- How can we minimize foster care disruptions and adoption disruptions?
- What do we need to do to minimize lengths of stay in hospital rooms and emergency departments for kids awaiting placement?

Registration is open to local social services commissioners.
